Join us for Y.O.U.'s 8th annual Diverse Evanston Walks United (DEWU), a community-wide celebration of peace, diversity, unity, leadership and service held on Martin Luther King Jr. Day.

DEWU is a **FREE** community event and will feature guest speakers, performances by youth, lunch, and interactive anti-violence workshops.

This youth-driven event engages youth and families across Evanston and Skokie to create different expressions and thoughts promoting non-violence. This year's theme is "What It Takes": remembering all the people, perseverance and actions that Martin Luther King Jr. and the Civil Rights movement utilized to give people a better life. We'll see you there!
